PROFESSIONAL PROFILE

Junior Full-Stack Developer currently completing the EPICODE AI Full-Stack Developer program, with hands-on project work in JavaScript, React, Redux, TypeScript, Java, Spring Boot, REST APIs, SQL and PostgreSQL. Computer Engineering graduate with prior enterprise IT and cybersecurity experience, bringing analytical skills, security awareness and structured problem solving to software development.

TECHNICAL SKILLS

Programming & Frontend: JavaScript, TypeScript, Java, HTML5, CSS3, React, Redux Toolkit, Bootstrap, Sass

Tools: Git, GitHub, Postman, Maven, Vite

Languages: Italian (Fluent), English (Advanced), Spanish (Basic)

Backend & Data: Spring Boot, Spring Web, Spring Data JPA, Spring Security, REST APIs, SQL, PostgreSQL

Additional IT: Linux, Microsoft Azure, Networking, Cybersecurity

Language Certifications: Cisco English for IT 2; Spanish Language Course Certificate B1 - FU International Academy Tenerife

EDUCATION & SOFTWARE DEVELOPMENT TRAINING

AI Full-Stack Developer - EPICODE

Expected completion: Nov 2026. Hands-on training covering HTML/CSS, JavaScript, React, Redux & TypeScript, Java, Spring Framework, relational databases & SQL, Spring Data JPA, RESTful APIs with Spring Web, frontend-backend integration and geolocation.

Practical work includes individual exercises, weekly projects and GitHub-based development.

May 2026 - Present

SELECTED DEVELOPMENT PROJECTS

Spotify Clone (EPICODE Week 11 project) | *React* | *Redux Toolkit* | *Vite* | *Deezer API* | [Repository](#)

Built a Spotify-style music web app with React and Redux Toolkit: track search with debounced queries against the Deezer API, an audio player with shuffle, loop, seek and volume control, plus liked tracks and user-created playlists in a mobile-first Bootstrap layout.

Vinilshelf - Vinyl Collection Manager (EPICODE Week 3 project) | *JavaScript* | *HTML5* | *CSS3* | *localStorage* | [Repository](#)

Framework-free JavaScript app built on a state-render-events pattern: add records, live search, status filters, sorting, counters and localStorage persistence.

EpiWeather - Weather Dashboard (EPICODE Week 10 project) | *React* | *React Router* | *Vite* | *OpenWeather API* | *Vitest* | [Repository](#)

Weather app using the OpenWeather Geocoding API to disambiguate cities, with routed detail pages for current weather, forecasts and Vitest component tests.

Additional projects: github.com/JusTMeth25

WORK EXPERIENCE

Senior Cyber Security Consultant | Protiviti - Rome

Supported financial and aerospace clients on cybersecurity governance and compliance initiatives, including DORA-related ICT risk assessments, control evaluations, supplier security audits, remediation planning and PMO support.

Cyber Security Consultant | KPMG Advisory - Rome

Worked on information security and technology-risk projects covering security policy analysis, vulnerability assessments, IAM/IAG, business continuity and disaster recovery, compliance assessments, DORA/PCI-DSS controls and technical reviews.

Cyber Security Analyst -> Specialist -> Consultant | Cybertech - Engineering, Rome

Progression: Analyst (May-Dec 2019), Specialist (Jan 2020-Jun 2021), Consultant (Jun 2021-Dec 2024). Activities included SIEM/log analysis, incident handling, Microsoft Azure, IAM/PAM, DLP, Microsoft Defender, security integrations, risk reporting and collaboration with technical and operations teams.

Sep 2025 - Apr 2026

Mar 2025 - Jun 2025

May 2019 - Dec 2024

EDUCATION

Bachelor's Degree in Computer Engineering L-08 | Università degli Studi delle Camere di Commercio Italiane Mercatorum | 2023-2026 | Grade: 105/110

Master in Networks and Information Systems | ELIS College - Rome | 2018-2019

Linguistic High School Diploma | Liceo Linguistico G. De Sanctis | 2016

CERTIFICATIONS

CompTIA Security+ ce Certification | Linux LPIC-1 v.500 (LPI) | Cisco CCNA Routing and Switching (200-125) | Cisco Cyber Threat Management | ITILv4 Foundation Certificate in IT Service Management | ISMS Auditor ISO/IEC 27001 | Lead Auditor di Sistemi di Gestione ISO 19011 - ISO/IEC 17021 | Auditor Interno Norma UNI EN ISO 9001:2015
